

# Kindergarten Korner

May 18, 2012

## This week we...

- Read books and recited songs about pets! We also discussed the differences between wild animals and pets.
- Met many cute and fun-loving pets during pet day. Thanks to all of the parents and grandparents who brought in the pets!
- Practiced two reading strategies that will help us when we come to words we don't know. They are skipping hard words and then going back; and looking for smaller words and chunks in the word.
- Built cubes with toothpicks and marshmallows in math. We also used tangrams to build bigger shapes.
- Practiced spelling words of various spelling patterns on the ipads.
- Worked to improve our adding and subtracting skills in the math center.

## Reminders...

- **5th grade buddies and kindergarten buddies picnic will be on Monday, May 21st. Remember to send sack lunches!!**
- Last day of school and Fun Day is Thursday May 24th.

## Things to practice...

- Sight Words!! New Words: **so, did, if**
- **Saying your address.**
- Addition and subtraction facts

Have a great weekend!  
Mrs. Heiserman and Mrs. Hessick
