Process

If such conferences do not lead to understanding and resolution of problems involved, a parent may pursue further action by submitting a complaint against a teacher, which must be submitted in writing to the principal of the school. The principal shall give a copy to the teacher. Likewise, the teacher may request in writing to the principal that such a written complaint must be filed or the matter shall be considered closed. The principal shall give a copy to the parent.

2. At no time will the Board take action against a teacher based upon a parental complaint unless this procedure has been followed.
3. Before a parent or citizen complaint against a teacher becomes a matter of written record, the administrator shall investigate the complaint and follow the process of this Part II, Section I. The process will include giving the teacher the opportunity to know the identity of the complainant and explain his or her actions or to respond to the complaint before it becomes a matter of written record.

 - b. the date the teacher submitted a completed job application.
4. On or about September 30 of each school year, the Superintendent will provide the Association with a list showing the seniority in area(s) of certification of each teacher employed by the Board and will notify the Association of any changes in said list.
5. Should a reduction in force be necessary, teachers will be laid off in accordance with ORC Section 3319.17.
6. If a vacancy occurs, laid off teachers who are certified for that position shall be recalled, teachers with continuing contracts given preference. Seniority shall not be the basis for rehiring a teacher, except when making a decision between teachers who have comparable evaluations.
7. Notice of recall shall be sent by certified mail to the last address given to the Board of Education by the teacher. A copy of the recall notice shall be given or mailed to the Association President. 8. While on layoff, a teacher will have the option to remain an active participant in fringe benefit programs by contributing one hundred percent (100%) of the actual cost of such fringe benefits.
9. Restoration rights for teachers whose limited contracts were suspended shall commence upon the effective date of the suspension and shall continue for three (3) years.

7. A supplemental position, whether held by a bargaining unit member or a non-bargaining unit member, shall not be considered vacant from one (1) school year to another unless the Superintendent intends to recommend that the Board hire someone other than the individual who most recently held the position.
8. If the Superintendent does not intend to recommend re-employment of a coach or advisor for the next school year the Superintendent shall send written notice to the teacher no later than seven (7) calendar days before Board action to fill the position or June 30, whichever comes earlier. The

Superintendent will provide his/her reason(s) upon request of the teacher. This paragraph shall not apply when the Board decides not to fill supplemental positions for financial reasons.

9. Neither the Superintendent nor the Board shall deny reemployment to a teacher for a supplemental position based on anonymous information or anonymous complaints or based on complaints that have not been brought to the attention of the teacher. Complaints concerning a teacher's performance in a supplemental position are subject to the process of Part II, Section J. The Board will consider the Athletic Director's evaluation in determining whether to reemploy the teacher.
10. Supplemental positions are voluntary from one (1) contract to another unless at the time of employment as a teacher the teacher was notified in writing that the supplemental position is a job requirement and the requirement appeared in a written statement in the regular teaching contract.
11. The New Riegel Board of Education shall have the authority to create, alter, and/or eliminate positions listed under the Supplemental Contract Article. If a position is created, eliminated and/or altered, the Board of Education shall negotiate with the New Riegel Education Association on the creation, elimination and/or altering of the position as well as the rate of compensation.
12. Supplemental salaries will be paid in two (2) installments in the regular paycheck unless otherwise agreed by the Member and Treasurer.
13. If a teacher volunteers to serve as head teacher for his/her respective building during the absence of the building Principal, the teacher shall be provided with a specific written job description, which details the responsibilities and authority of such position.
14. In the event a contract holder is unable to complete his/her duties, payment will be awarded pro-rated to the number of days of the contract completed. (Contract length is from the first to the last official duty day).
15. The New Riegel Board of Education may cancel a supplemental contract due to lack of participation. A contract holder whose contract is cancelled shall be compensated pro-rated to the number of days of the contract completed. The Association will be notified prior to the cancellation and will retain the right to negotiate said cancellation.

When the senior class trip is scheduled on any day(s) other than a regularly scheduled school day, all teachers who serve as chaperons shall be compensated for each such day, excluding weekends, at a rate equivalent to substitute teacher pay.

G. Tuition Reimbursement

To encourage further studies and professional growth, teachers who have successfully completed additional coursework shall be reimbursed from a fund provided by the District. Reimbursement shall be given provided the course work is within the teacher's area of certification or in the field of education. Under no circumstances shall a teacher be reimbursed for more than the actual cost of tuition and fees. The fund amount shall not be increased during the length of this Agreement.

1. For the purposes of this section successful completion shall mean a grade of "C" or better or a "PASS".
2. There shall be a cap of one hundred twenty-five dollars (\$125) per semester hour.

In no case shall an eligible teacher be reimbursed for more than his/her actual expenditure, tuition and fees for the course(s) as certified to the Treasurer.

3. Reimbursement will be made upon receipt of proper evidence that coursework has been completed, as exhibited by a transcript or grade report. Reimbursement shall be made within thirty (30) days after evidence has been provided. Coursework documentation (i.e., registration fee receipts, grades, etc.) will need to be turned into the Treasurer. The Association President will be given a year-end accounting report of the reimbursement fund.
4. A teacher must file a "Notice of Intent" form prior to enrollment in a course(s) so that the administration can keep track of the potential number of course(s)/hours that may be reimbursed in a particular year. The teacher must resubmit the form when the course(s) is/are complete for reimbursement.
5. It is agreed that members of the bargaining unit who earn an additional degree or the appropriate number of college credits to advance to the next horizontal level of training on the salary schedule shall be placed upon such step when documentation of the additional degree and/or college credits is presented to the personnel department via official college or university transcripts.

It is the responsibility of the member affected to provide the personnel department with the required documentation, no later than September 15 for September 1 salary adjustment and no later than February 15 for a February 1 salary adjustment.

3. Employment Security

A retiree shall not retain seniority rights from previous employment and shall not be able to participate in any retirement incentive plans or receive severance pay; the retiree will be able to advance seniority with in-District experience.

A retiree shall receive a one-year limited teaching contract which will expire at the end of the stated term if the individual receives written notice from the Superintendent on or before June 1 of the Board's intent to not offer a new contract for the next school year. No other notice of non-renewal or Board action is required. Continuation of the retiree's employment through offering new one-year limited contracts shall be at the election of the Board and upon recommendation of the Superintendent. The requirements of ORC Section 3319.11 regarding limited teaching contracts shall not apply to the limited contracts of retirees. A retiree is not eligible for a continuing teaching contract, regardless of years of employment and/or previous continuing

contract status prior to retirement. The parties waive all rights for such employees pursuant to ORC Sections 3319.11 and 3319.111.

For teachers for whom OTES is inapplicable, evaluations shall be conducted at the discretion of the building principal. The decision to conduct/not conduct an evaluation shall not affect the expiration of the limited contract. 4. Benefits

A retiree shall not be entitled to participate in the health insurance program as provided in the Negotiated Agreement unless STRS health insurance coverage is not an option. The retiree shall not be eligible for the "in lieu of" stipend.

A retiree shall accumulate and may use sick, personal and professional leave as provided in the Negotiated Agreement.

Additional days may be requested by the employee through the Superintendent.

Every teacher may have three (3) days of unrestricted personal leave per year. A teacher need not provide a reason for use of such personal leave. Such personal days are not to be considered as vacation days and, therefore, should be used only for activity which cannot be conducted on other than school time. Such days should be used for emergency situations or personal obligations. Said leave must be approved by the Superintendent.

The following restrictions apply for the use of personal leave days:

1. Except for emergencies, no more than two (2) teachers may be absent for personal leave on the same day. If more than two (2) teachers request personal leave on the same day, the leave will be granted on a first-come, first-served basis.

his/her sick leave accumulation; or 2) be paid fifty dollars (\$50) for each unused personal leave day (pro rata for partial days). If a teacher does not file a written statement electing the first option (rollover to sick leave) with the Treasurer by May 31, the teacher shall be paid per option 2. The payment will be made in August.

C. Absence Without Leave (Dock Days)

The Board discourages the use of dock days (days on which the employee is absent but has no authorized leave for the day). In the event an employee is absent without authorized leave (dock day), his/her pay will be reduced by an amount equal to his/her per diem plus an amount equal to the cost to the Board to maintain the employee's benefits for the day on which the employee provided no service and was not on authorized leave.

D. Release Days for Special Education Teachers

A teacher whose primary responsibility is special education shall be granted three (3) release days during the school year for the purpose of recordkeeping and/or conferences with parents. The administrator and the teacher shall mutually agree upon when said days are to occur. On the release days, the teacher shall have full access to all confidential materials and equipment necessary to complete the recordkeeping. Additionally, students will be relocated in a manner that will facilitate privacy and access to materials/equipment for the teacher.

E. Maternity/Paternity/Adoption Leave

1. A teacher has the right to an unpaid leave of absence for the purpose of maternity/paternity, or adoption. A teacher is entitled to use his/her accumulated sick leave up to six (6) weeks for the disability concerning maternity. After six (6) weeks, if the employee plans to continue the use of sick leave, a doctor's note may be required indicating that further sick leave is necessary.
3. A teacher has the right to request two (2) weeks of unpaid paternity leave or may use up to two (2) weeks of his accumulated sick leave for paternity leave.
4. A teacher may use three (3) weeks of paid sick leave for the purpose of adoption.
4. A teacher requesting unpaid leave for maternity/paternity, or adoption shall have the right to such leave with thirty (30) days notice or as early as possible to the Superintendent of the proposed commencement of such leave. Such notification may be amended as circumstances warrant.
5. Such unpaid leave may be for up to one (1) year, at the teacher's option.
6. During such leave the teacher shall have the option to continue any/all benefits at the group rate, provided the appropriate payment is made to the Board's Treasurer in a timely manner.

7. Upon returning from leave, the teacher will resume the contract status which he/she held prior to such leave and will return to the same or similar assignment held prior to such leave.

F. Military Leave

PART V. GRIEVANCE PROCEDURE

A. Purpose

1. A grievance procedure is a method by which an individual or group of teachers can express a complaint, problem, or dispute without fear of reprisal and obtain a fair hearing at progressively higher levels. Said procedure shall provide democratic interpretation and application of personnel policies and practices.
2. The primary purpose of this procedure shall be to obtain at the lowest level and in the shortest period of time, equitable solutions to grievances, which may arise from time to time.

B. Definitions

1. A "grievance" is a claim by a teacher(s) of the bargaining unit or the Association, that there has been a violation, misapplication, or misinterpretation of one or more of the provisions of this agreement.
2. A "grievant" is a teacher(s) or Association having a grievance.
3. A "day" in this section shall mean a working day. The number of days indicated at each level shall be considered as maximum and should be adhered to in expediting the procedure.
4. The term "teacher", when used in this document, shall refer to an individual or group of individuals who are members of the bargaining unit.

C. Procedure

Time limits stipulated should be adhered to strictly as maximums to ensure rapid resolution to problems and issues concerned. Lack of adherence to the time limits by the grievant can result in the declaration that resolution has been obtained by the last level of hearing. Time limits may be extended only by mutual agreement of all parties concerned.

D. Level One - Informal

Within ten (10) days of a condition or knowledge of a condition that a teacher considers a grievance, he/she shall discuss the problem with his/her immediate supervisor, or with the member of the administration whose action or inaction created the situation in an attempt to resolve the problem without filing a formal grievance. He/she may do this alone or with his/her official Association representative.

E. Level Two - Formal

1. In the event the grievant is not satisfied with the disposition at Level One, or no decision has been rendered within five (5) days after the informal meeting, he/she may initiate the formal proceedings.
2. In all levels of the formal proceedings, official grievance report forms shall be made in triplicate; one (1) for the grievant; one (1) for the administration; one (1) for the Association.
3. Within five (5) days of the filing, a hearing shall be arranged between the grievant, the immediate supervisor, and Association representative, and other parties who may be needed to give information relative to the claim. The disposition by the supervisor shall be added to the grievance report form in triplicate prior to the adjourning of this hearing.

F. Level Three

1. If the grievant is not satisfied by the disposition of the immediate supervisor, he/she may seek a hearing with the Superintendent within five (5) days after the hearing in Level Two, by completing step two of the grievance report form in triplicate and submitting it to the Superintendent. Within the next five (5) days a hearing shall be arranged between the grievant, the Superintendent, and a representative of the Association, and other parties that may be needed to give information relative to the claim.
2. The disposition of the Superintendent shall be completed prior to the adjournment of the hearing.
3. In the event that the Level Two, or formal step, of this procedure was with the Superintendent, the next step would be Level Four.

G. Level Four

If the grievant is not satisfied by the disposition of the Superintendent, he/she may seek a hearing before the Board of Education within five (5) days after the hearing in Level Three, by completing step three of the grievance report form in triplicate and submitting it to the Secretary of the Board. Within ten (10) days or at the next regular Board meeting, whichever occurs earlier, a hearing shall be arranged before the Board. Within ten (10) days, the Board shall render a decision.

H. Level Five

1. If the grievant and the Association are not satisfied with the disposition in Level Four, he/she may demand that the issue be submitted to arbitration within five (5) days after the Level Four hearing.
2. The American Arbitration Association according to its voluntary rules and regulations shall appoint the arbitrator. Information submitted to the arbitrator

shall be confined to the information and positions related in the lower levels of the grievance proceedings relative to the parties concerned.

3. The arbitrator shall make his/her report and recommendations to the grievant, the Superintendent, the clerk of the Board of Education, and the president of the Association. His/her decision shall be final and binding on the Association, its members, the teacher or teachers involved, and the Board of Education. Cost of the arbitrator's services shall be paid for equally by the Board of Education and the Association.
4. The arbitrator must limit himself/herself to the express language of this written Agreement and cannot add to, subtract from, alter or modify the express terms of the Agreement.

I. Rights of Parties

1. Both parties agree that grievance proceedings should be handled in a confidential manner.
2. Nothing contained herein shall be construed as limiting the individual rights of a teacher having a complaint or problem to discuss the matter informally with members of the administration through normal channels of communication.
3. A representative of the Association shall be available to assist all teachers governed by this procedure. Such assistance may include: information and interpretation of the grievance procedure, providing of official forms used in the formal steps of the proceedings, recommending of Association support and position on the issue, recommendation that the Association not support the issue. Action on official position of the Association may take place at any level of the proceedings.
4. Nothing in this procedure shall be construed so as to deny the Association or its representatives the right to redress before an appropriate administrative agency or through the courts, if such a course seems to them at their sole discretion more appropriate. Nothing in this procedure shall be construed to deny the individual, the Association, or its representatives the right to seek redress by law.
5. No teacher may be represented by any teacher organization other than the Association in any grievance procedure initiated pursuant to this procedure.
6. No teacher shall be denied the right to legal advice and/or counsel in any of the levels listed above.
7. A grievance may be withdrawn at any level without prejudice.
8. Copies of all written decisions of grievance shall be sent to all parties involved, the Association president, the grievant, and the appropriate administrator.

9. No records, documents, or communications concerning a grievance shall be placed in the personnel file of any of the participants in procedures described in this agreement.
10. Forms for processing grievances shall be made available through all administrative offices in the building, the central administration office, and designated officials of the Association including building representatives and members of the Association grievance committee.
11. Records of the grievance proceedings shall be confidential information. The clerk of the Board should keep official records in a confidential separate file.

PART VI. LABOR MANAGEMENT COMMITTEE (LMC)

- A. The Superintendent and another administrator of his choice and two (2) members appointed by the Association President shall meet at least once in the months of September, November, January, and April to attempt to resolve non-contractual issues and to avoid possible misunderstandings or grievances. Either party may convene a meeting in the other months during the school year. Meeting times, dates and length of meetings shall be established by mutual agreement.
- B. The LMC will receive base-line training from the Federal Mediation and Conciliation Service at times, dates and places mutually agreed by the parties.
- C. The LMC is not and shall not be used as a forum to discuss or resolve issues which have already been submitted as grievances. Nor shall the LMC take the place of negotiations by negotiating contract language or Memorandums of Understanding. Grievances shall be processed through the grievance procedure and shall not appear on the agenda of the Committee.
- D. After each LMC meeting, a summary of the minutes of the meeting shall be prepared by the Committee to be shared with bargaining unit members and the Board.
