## **2024 Willard PLAYING LEAGUE**

The Willard Playing League is a summer league that is designed to give players an opportunity to play in an organized format. Players are placed on teams to make them as competitive as possible and then are guaranteed equal playing time based on a designated substitution rotation system. Our goal is to have a mixture of players from several schools so that players have a chance to play with and get to know other players in the area. The information below should answer questions concerning this league.

**TEAMS???** Players will be divided into teams based on the information received from their registration form. Teams will be limited to a maximum of nine players. **We will try to limit the number of players from the same school on the same team to two players.** There will be a limit of ten teams in each league so early registration is important. Each team will play 3 games on Tuesday, Wednesday and at least 2 games on Thursday.

**PLAYING TIME???** Each game consists of 4 6-minute quarters with a running dock except for the last minute of the game. Substitutions will occur at the end of each quarter. No time outs will be allowed except for substitutions or injuries (1 timeout will be allowed in the last minute of the game). Players are guaranteed equal playing time as a designated substitution rotation will be followed.

**SCORING???** Regular basketball scoring.  
Overtime --- first team to score 2 points --- basket or foul.

**DEFENSE???** All m-m defense will be played --- may press only in the second half.

**BEHAVIOR???** All players are expected to conduct themselves with proper sportsmanship.

- 1<sup>st</sup> offense for profanity, fighting, tantrums, taunting, etc. is a technical foul (2 points for opponent).
- 2<sup>nd</sup> offense is suspension for the day.
- 3<sup>rd</sup> offense is removal from the league.
